

Are you a man living with HIV who lives in South Central and Southern Indiana?

You can participate in a 1 hour telephone interview about your HIV care experiences. After the interview, you will receive a \$30 Amazon ecard

The Research Team

Indiana University School of Public Health-Bloomington & Positive Link are collaborating to explore the HIV care experiences among men living with HIV. We call this study the ***IU-Positive Link Study***

Chris Owens, MPH, Study Lead
Brian Dodge, PhD

Indiana University IRB # 1906526292

How to participate?

First, you need to complete this, short, 10 minute, survey to see if you're eligible to participate and so we can contact you about scheduling an interview. You can either:

- 1) Click on <http://go.iu.edu/IU-PositiveLink>
- 2) Scan the **QR code**
- 3) Contact me so I can send you the survey through mail
